

Sailing trips in the San Blas Islands (Panama) and Belize:

A Sailing trip to the San Blas Islands (Guna Yala) in Panama is one of the most beautiful experience in your lifetime!

We sail 3 days up to 2 weeks trips with a Real Chef from Panamá,
A experienced Captains on Catamarans,
And with a save Catamaran with many successful Atlantic crossings.

The Guna Indio Culture in the San Blas Islands survived the genozid of the Spanish conquistadores. Guna Indos are proud. Rosa - Chef on Board - is companionship of them, (she is Panamanian) and has perfect connections to the culture and the Guna people.

The Boat:

“S/V Jonathan” is a Transocean going sailing vessel not a luxury yacht.

Sailing with a Atlantic Crossing Catamaran!

A full variety of sailing activities awaits your choice:

Fast cruising like a racing boat or cruising lazily along a fascinating shoreline...

“Jonathan” equipped with all the modern safety gear for worldwide cruising

Enjoy...

...on "Jonathan" you will find a original ***cuisine to match the atmosphere “Caribbean - International”***. This is because Rosa, Jonathans Chef, is born in the Caribbean.

Delights grilled on an open fire, good wine from Chile, France and Spain.

Enjoy your cocktail on deck under a blue sky...

Fun:

Scuba Divers and Snorkel Divers welcomed!

“Jonathan“ is equipped to explore the beautiful underwater world.

For the best combination - sailing and diving - the Catamaran is equipped with air tanks (INT connections), and a “Bauer” compressor to fill the tanks with clean, fresh air.

Sportive activities:

The fast tender is good to do water ski and wake board (Persons up to 75 kg).

To get fresh fish we are using two deep-see fishing rods or a spear gun. They are good to use from our skilled guests.

Details:

On this Catamaran you'll never feel cramped. It has about 195 square yards (170 square meters) of living space. There are 5 cabins - and between the hulls there is a comfortable net of approximately 20 square meters

Accommodation:

4 double cabins for guests (one cabin for the crew) with together 8 berths. All cabins are designed in warm wood, light ceiling and white surfaces. Hatch and ventilator in each cabin, 3 heads, 1 deck shower. It is not luxury but for an oceangoing sailboat good comfort.

Portside: Aft cabin is a double cabin (6.5 x 4.3 feet / 200 x 130 cm). The middle cabin is a double cabin (6.5 x 4.6 feet / 200 x 140 cm). Front cabin shares with the aft cabin separate bathroom and shower.

Front cabin has two big single berth (about 7.0 x 3.0 feet / 230 x 90 cm), washbasin, separate bathroom*; Front cabin is very light and has a huge hatch, all surfaces are white. Picture: Fore Cabin

Starboard side: Aft cabin is a double cabin (6.5 x 4,3 feet / 200 x 130 cm).), Front cabin is a double cabin for the crew. Front cabin shares with the aft cabin separate bathroom and shower.

Technical specifications:

Type: HERCHER BM 50

The environment has not been forgotten; “Jonathan” is fitted with solar panels and a wind generator. In addition, absolutely everything is done to ensure that the Catamaran leaves no trace of its passing.
